

## Privacy Policy for Individual Members

With member's consent Program will collect personal identification, demographic and financial information. This information will be collected by Program staff, independent agents, and through online submissions by prospective members. Program will not collect any PHI (Protected Health Information). This personal identification, demographic and financial information will be accessible only by Program staff, participating clinic staff, independent agents, and independent agent staff and will be used to administer Program enrollment. Program or Program staff will not sell, trade, give or grant access by any unrelated party to this personal identification, demographic or financial information.

This personal identification, demographic and financial information will be maintained and secured on third party servers not owned, secured or maintained by Program. Therefore, Program makes no representations or warranties as to the security of this information. Members may find information related to those third party privacy and security policies by going to [www.chargebee.com](http://www.chargebee.com), [www.stripe.com](http://www.stripe.com) and [www.247calladoc.com](http://www.247calladoc.com).

Member agrees to indemnify and hold harmless Program against any and all losses resulting from breach of personal identification, demographic, and financial information collected by Program staff, independent agents, and through online submissions that is maintained and secured on third party servers not owned, secured or maintained by program.

By my signature hereto, I acknowledge that I have read, understood and agree with the Privacy Policy set forth above.
